MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Policy Memorandum No. 23 -Abuse of Class VI Privileges

1. This memorandum supersedes policy memorandum No 23, dtd, 5 December 2001.
2. Army Regulation 60-20 specifically states that members of the Uniformed Services and other authorized purchasers shall not sell, exchange, or otherwise divert packaged alcohol beverages to unauthorized personnel for purposes which violate federal, state or local laws. Additionally, the regulation requires that installation commanders enforce this policy. Purchases of alcohol at Fort Buchanan will be limited to eight cases of beer and ten quarts of other alcoholic beverages per month per family. A waiver to this policy can be requested from the Garrison Commander for special occasions on-post.
3. Purchasing products from the Army and Air Force Exchange Service facilities is a privilege extended to authorized patrons. With very limited exceptions (e.g. customary gifts), purchases must be for personal use. Army Regulation 60-20 expressly prohibits using exchange merchandise for the production of income and purchasing exchange merchandise for the purpose of making a sale, exchange, transfer, or other disposition to unauthorized persons, whether or not for a profit.
4. I will not tolerate the abuse of this policy or local law. The first violation may result in the revocation of Post Exchange/Class VI privileges for up to one year. A second offense may result in a permanent ban from the installation.
